INVITATION DAY SATURDAY 23rd JUNE 2018 AT THONG LANE GRAVESEND

I am writing to inform you of the above event and extend a cordial invitation to any of your members who would like to visit us on the 23rd June 2018

Anyone wishing to bring a loco (usual Boiler Certificate requirements), or just come for a 'day out' would be most welcome. We anticipate that activities will start at about 10.00 am. and continue until dusk. Coal / steam oil / treated water / trolleys will be available and a 12V DC. supply for blowers is provided in the steaming bays. The 3½ / 5" gauge raised track is some 1200' in length and is located in the grounds of the Cascades Leisure Centre, Thong Lane, Gravesend, DA12 4LG with easy vehicle access for unloading.

For those with traction engines interests, the large car park adjacent to the track site offers a (reasonably) flat area for a steam up.

We would be grateful if you could mention us in your newsletter and at a club meeting. In addition to the usual supply of tea and biscuits, we will be providing a buffet lunch for all our visitors. From about 15.30 onwards we will be running a Barbecue (weather permitting) and we would be delighted if any visitors would like to join us.

We look forward to seeing you.

Yours sincerely

Tricia Filley Hon. Sec.
